Dear All -

Attached please find the revised MDP, ER and database, all dated **2016.01.19** to avoid confusion with prior versions. Pagination/cross-references have also been checked and updated as necessary in both the MDP and ER.

Rick - kindly confirm receipt when you can.

Garen - there are no changes to the database that was previously reviewed and approved (the version dated 2015.11.20) except as follows 1) Main tab: a change of owner name for one parcel (APN 4286030903 changed from state to city) per Dennis' email on 11/24/15 and 2) Secondary tab: corrected a rounding issue that was occurring in one of those supplemental tables I use in the MDP. Otherwise it's identical to the 2015.11.20 version but you may wish to replace it in your files to avoid confusion.

Thanks, all!

Warmest regards,

Hope your New Year is off to a great start.

I didn't hear from anyone else, so just wanted to double-check and make sure you received the resubmitted MDP/ER docs I sent Tuesday evening. You're the best about acknowledging receipt (thank you.)

I never trust emails with large attachments! Sometimes they get stuck in the virtual pipeline.

Hi Tara,

We received the MDP, ER and database and are currently reviewing. I will contact you to set up a review.

Just to be clear, the documents attached to this email are the same as we received last week? Or is this something different?
